What is TalkNow/SuccessNow?

This is a LionCare service that gives *all* NCTC faculty and staff members* free, 24/7 support to help students thrive and achieve a sense of well-being. Our team of mental health professionals will help faculty and staff on how they can best support their students, which may include referring them to a LionCare medical visit, mental health visit, or to other campus resources.

How can I access TalkNow/SuccessNow?

If you have not already installed the app and set up your account:

- Search TimelyCare (no spaces) in the app store, and download on your mobile device.
- Enter your NCTC school email address and <u>if prompted</u> enter the one-time Access Code:
 FULL-TIME STAFF ACCESS CODE: K7WB3B
 PART-TIME STAFF ACCESS CODE: 7VF3AQ
- Complete your account set-up by entering the minimal, required personal information (since the app is telehealth based it does require some basic information in order to determine and access eligible services).
- From the Home screen in the app, **click "Start a Visit"** to verify that your name appears as "needing to be seen" and then confirm your location.
- If you are a full-time employee* the only visit option you will see is "Mental Health-TalkNow & Scheduled Counseling"-you're in the right place! Select this option and then enter your reason for visit as a "consultation/student concern" to be connected with a mental health professional consult.
- If you are a part-time employee* you will be able to select "TalkNow" for a SuccessNow consult re: a student concern OR use this same option for your own personal mental health visit! You can also choose a medical telehealth appointment or visit with a nutrition/wellness coach as NCTC part-time employees have access to the full array of LionCare telehealth services!
